

# What if you could maximize your Salesforce investment to fit your needs and grow your business?

## What are Accelerators?

Accelerators offer Premier Success customers a fast path to results through focused engagements with specialists. With Marketing Cloud Accelerators our experts will help equip your sales team to close more deals faster.

### Accelerators for Marketing Cloud

#### DATA IMPORT CONFIGURATION AND AUTOMATION

Get new data into Marketing Cloud to drive your campaigns. Our specialists will implement and automate a data import so that you have a foundation to create additional imports on your own.

[LEARN MORE](#)

#### EMAIL SEGMENTATION CONFIGURATION AND AUTOMATION

Deliver more personalized and targeted email campaigns. Our specialists will configure and automate an email campaign based on a new or existing subscriber segmentation specific to your business needs.
